Instagram Recruiting Funnel Blueprint for 750K+ Sales Leaders

My Goal For You: Book **20–30 recruiting calls** and sign **5+ solid reps** in the next 90 days through your Instagram. Follow these steps one by one and you have all but guaranteed reps in your downline.

1. Understand How the Funnel Works

Content → Page Traffic → DMs → Calendar → Calls → Recruits

Everything you do should push people **one step to the right**.

2. Set Your Target Rep

Write this down. No exceptions.

- Age: 20–30
- Profile: ex-athletes / blue collar / hustlers; want **\$100K–200K+**; willing to work 5–6 days.
- Non-negotiables: coachable, no drama, okay with performance-heavy pay.

Positioning sentence:

“I help [type of person] go from [current pain] to [\$ outcome] in [vehicle: remote / d2d sales] in 12–24 months.”

You talk only to this person in all content and DMs.

3. Fix Your Profile (15 minutes)

- **Profile pic:** Clear shot of your face.
- **Username:** Your name + “sales” or similar (no spammy handles).

- **Bio (3 lines):**
 1. Values (e.g. "Faith. Family. Winning.")
 2. Credibility ("Built a 7-figure sales team by 28.")
 3. CTA ("DM 'TEAM' to see if you're a fit for my squad.")
- **Highlights:**
 1. "Lifestyle" (trips, wins)
 2. "Results" (team numbers, testimonials)
 3. "Opportunity" (you explaining what you do)
- **Pinned posts (3):**
 1. Who you are / what you do
 2. How your team works / income path
 3. Strong testimonial or day-in-the-life

Your profile should tell a stranger in **5 seconds**:

"Who you are, what you do, how they join."

4. Content Plan (Simple, Repeatable)

Post 5 reels per week:

- **2 Lifestyle / B-roll (top of funnel)**
 - Trips, team dinners, training, wins.
 - Text overlay example: "We built this from 5 broke reps in a Honda."
- **2 Story / Vulnerability (middle)**
 - "Why I almost quit sales."
 - "Biggest mistake I made as a new rep."
- **1 Educational / Opportunity (bottom)**
 - "Path from \$0 to \$150K on my team."
 - Clear CTA: "DM 'PATH' if you want the roadmap."

Stories (daily, 3–5 total):

- 1 behind-the-scenes clip (your day)
- 1 principle / hot take on work / money
- 1 case study (rep result)
- 1 "We're hiring" slide with a simple CTA:
"Watching these? DM 'INTERVIEW' and I'll see if you're a fit."

5. DM Engine (Where Recruits Come From)

Do this **every day** (you or a setter):

1. **Message every new qualified follower.**
2. **Message up to 40 likers** from your last 3–5 posts.

Use our DM script here → [DM Scripts](#)

6. Calendar & Qualifying

Use Calendly and set up your booking page like this → [Set Up Your Calendly Link](#)

7. Weekly 30-Minute Review

Once per week, look at:

- New followers
- DMs started
- Calls booked
- Shows
- Reps signed

Then:

1. **Find your top 1–2 posts** (saves, shares, DMs).
 - Make **2 more** posts using that same hook/angle.
 - Boost the best one to people who engaged with your profile.

Do this 12 weeks straight and you will have enough volume to sign **5+ quality reps** easily..

8. Bonus Hacks for Instant Recruits

Here is our playbook of tactics to get 10 recruits before you even get your first 1000 followers. I promise there are tactics in here you've never even thought of before.

These tactics will only scale and improve as your brand grows with content →
