

INSTAGRAM RECRUITING BLUEPRINT

Everything you need to turn your page into a recruiting machine: how to make the content, **50 scripts** to film, and the DM flow that books the calls.

→ Start Here

This guide is split into three phases. Each one is a separate PDF, linked below.

1

Phase 1: Learn How to Make Content

Three guides in one file: set up your bio, film the content on your iPhone, then edit it in CapCut.
